

## **COORPAROO SECONDARY COLLEGE COLLEGE SPORTING ACTIVITIES INFORMATION & MEDICAL FORM**

Coorparoo Secondary College (CSC) has built an excellent reputation for our sporting success. We are proud of the fact that students do not have to be an athlete to be a team member. All that we ask is that each student tries their best.

Dear parents/guardians please complete the attached medical form, which covers summer and winter interschool sport, recreational sport activities and college carnivals. Return the completed form as soon as possible, via your child/children, which they should hand to their Form teacher.

### **WEDNESDAY INTERSCHOOL & RECREATIONAL SPORT**

CSC offer Interschool Sport during Period 4 each Wednesday afternoon. In the first two weeks of the school year students will be asked to select their preferences for the summer. A second selection process will be undertaken for the winter season which commences mid-May. Students will be notified of the choices during the first Wednesday of sport selections. Due to the large number of schools within the South District and the varying sizes of schools there is a two tier competition where we compete against similar size schools on Wednesday only, however our students still have the opportunity to qualify for Met Finals.

Summer Interschool fixtures run from February to April and are held at a variety of venues. Winter Interschool fixtures run from May to August. Parents/guardians should be aware that students competing at outside venues may occasionally return to school after 3.00pm.

For those students who elect to participate in the interschool sport programs, a fee of \$50 per season will be incurred (winter or/ & summer) for participation. This fee covers venue hire, transport, uniforms, equipment, and fee associated with umpiring, affiliation and district participation.

#### **Important Points regarding sport**

- Sport is compulsory for years 7- 10. We ask that you do not book appointments for your child during this time period unless necessary.
- Students driving or being driven to an outside venue need to follow college expectations including the provision of a note from parents/guardians giving such permission.
- Interschool team members are expected to travel by bus.
