Third Party Web Based Service Consent

Dear Parent/Guardian,

Coorparoo Secondary College wishes to utilise the third party web based services listed below to aid students learning. Web based educational resources are used by teachers, where relevant, to improve student learning outcomes.

A third party website is any website that is not managed by the Department of Education and Training (DET) and is housed off the DET network. A third party website consent form is to be completed by students' parents/guardians when students are required to create an account or provide personal information to a third party website whose data may/may not be stored on servers that are not based in Australia and therefore are not bound by Queensland's privacy laws.

Registering to use these services requires student personal information to be disclosed to, and collected and used by, the provider of the service.

Registration may include disclosing the following information about your student:

- Student Name
- Email address (EQ email preferred)
- Date of Birth
- School/Teacher Name/Year group

Use of these services may include disclosure or collection of other information as described above for each service.

Before you complete this consent form it is important that you understand the reasons that these services collect this information, what will be done with it, who else may have access to it and where the data is stored. This information can be found in the hyperlinks below referring to each service's terms and conditions and privacy policy and regularly updated on the college website.
